IED III Standardized. The IED III Standardized contains 55 norm-referenced assessments, which allow educators to compare a child's performance to that of a nationally representative sample of children the same age. This streamlined assessment tool produces standardized scores, which can be used for benchmarking, standardized reporting, and providing documentation to support referrals.

SpEd - Brigance Inventory of Early Development III (IED III)
When children receive scores on the Screens III that fall below cut-offs, it is important for examiners to consider reasons for poor performance. Reasons for poor performance can fall into three broad categories: (1) potentially unreliable performance, (2) destabilised performance or (3) likely deficits or disabilities.
