Car Engine Quiz

How savvy are you about how your car engine works? Take this quiz to find out! Many people know very little about how their car engine works. Other than the benefit of turning the key and pushing on the gas and making the vehicle go vroom, most of us are blissfully ignorant about what makes things work under the hood (until the check engine light comes on, of course).

Car Engine Quiz! | Zoo

Yes, we are talking about your car's engine. Thanks to the invention of the internal combustion engine in the 1800s, we can go just about wherever we want these days. But a car engine is a very complex piece of machinery, far more so than those early engines.
