History Edit. DYE Precision is a paintball manufacturing company that was started by former player Dave Dehaan in 1994, or as you may know him Dave Youngblood. Dave started playing professionally at the age of 14. Dave was by far one of the youngest players in the game and was consequently given the name "Youngblood", which he is known by today. To make extra money while in school, Dave made ...

The Dye Ultralite is my favorite barrel of all time. The barrel is quiet, light weight, cleans easy and looks awesome. The best part about the ultralite is its timeless looks; it's like the proflex of barrels. The barrel has been out for years and years and still looks great on my new markers, unlike some of my other classic barrels.

Dye Precision - Ultralite 2-Piece Barrel
The Dye Ultra-lite is by far the best barrel on the market, although it does come with a hefty price tag, as does most of Dye's products. However you are getting the best barrel in the industry. There is no doubt that Dye spent the most time and research making this the best barrel on the market.
