In An Unspoken Voice How

In an Unspoken Voice is based on the idea that trauma is neither a disease nor a disorder, but rather an injury caused by fright, helplessness and loss that can be healed by engaging our innate capacity to self-regulate high states of arousal and intense emotions. Enriched with a coherent theoretical framework and compelling case examples, the book elegantly blends the latest findings in biology, neuroscience and body-oriented psychotherapy to show that when we bring together animal instinct ...

Unspoken Voices was created in 2014 to give a voice to those who have lost the strength, will, or ability to speak out. This non-profit organization was created to: (i) Ensure that the voices of victim/survivors of power-based violence, marginalization, and oppression are heard

Unspoken Voices

Like an anthropologist acquainting us with a different culture that he has made his own, Levine, in his new book, In an Unspoken Voice, systematically and engagingly initiates us into the ways of the body and the nervous system that animates it: how it works, what makes it tick, how to make friends with it, how to understand it, how to communicate with it and, last but not least, how to treat it and release it (and with it, us) from the hold of post-traumatic stress disorder (PTSD).

In an Unspoken Voice: How the Body Releases Trauma and ...

He has authored several books, including international best seller, Waking the Tiger: Healing Trauma and his most recent book, In an Unspoken Voice: How the Body Releases Trauma and Restores Goodness. In 2010, Dr. Levine received the Life Time Achievement award from the United States Association for Body Psychotherapy (USABP).

In an Unspoken Voice - North Atlantic Books

"We have orders to shoot you down if necessary, please stop" said a voice again. Amy didn't respond and started to fly the helicopter. "Bang Bang, Bang Bang, Bang Bang" "Wow, that was a close one" Amy said "Come on, I have to make it, I have to do it for us" Amy said to keep herself motivated.

Fire and Ice (Concluding part) - The unspoken voice

When Jewell Hooper, 91, moved to San Diego in 1957, she quickly learned about the explicit and unspoken understandings about where African-Americans could live. Segregation helped define how southeastern San Diego became the center of the local black community, creating a hub that's slowly shrinking. ... Voice of San Diego is a 501(c)(3) ...
