Overview. William Shakespeare's first plays were written in the conventional style of the day. He wrote them in a stylised language that does not always spring naturally from the needs of the characters or the drama. The poetry depends on extended, sometimes elaborate metaphors and conceits, and the language is often rhetorical—written for actors to declaim rather than speak.

The Beard of Avon is a play by Amy Freed, originally commissioned and produced by South Coast Repertory in 2001. It is a farcical treatment of the Oxfordian theory of Shakespeare authorship, in which both Shakespeare and his wife become involved, in different ways, with secret playwright Edward de Vere and find themselves helping to present the works of several other secretive authors under ...
