homeschool education, and serve as ...

Teaching the Trivium: Christian Homeschooling in a ...

Family worship remains central to the homeschool as described in Teaching the Trivium . A full classical curriculum is begun with plenty of reading, writing, math, and an introduction to logic. Latin and Greek grammar is studied. Children explore science, art, and music.

Five Different Approaches: Teaching the Trivium ...

The trivium is most easily understood first by realizing that it is not some fly-by-night modern educational theory, but tried and true laws of learning. It can be looked at in two ways: as instructional stages that correspond to cognitive development, and as a natural process that is followed anytime any person of any age learns something new.
