Overview. The papers consist of personal and professional files which document Ernestine Wiedenbach's childhood, student days at Wellesley College, and career as a faculty member in the Yale University School of Nursing, where she directed the nurse-midwifery educational program. The papers include correspondence, dating from her retirement in 1966 and writings relating to her professional career.

Continuous Inkjet Printer MK-G series. The goal of the MK-G Series Continuous Inkjet Printer is to reduce manual operations to almost non-existent. Conventional continuous inkjet (CIJ) printers could not be used by everyone because they required a certain level of specialized knowledge and skills to operate.
